

Parent Review Sheet

HELP US TO REVIEW OUR PROGRESS

At St. Godric's School we are attempting to produce a Christian, caring atmosphere where every child is given the opportunity to progress to their full potential and become 'self-motivated' learners, bringing them to an understanding and appreciation of what is valuable and desirable in human life. We want our children to enjoy learning and to be excited about it. Every year we go through a process of review. We look at our results but we also try to assess our success in many other ways. One of these ways is to ask you, as parents, for your view on how you feel your child's school experience is in our school. Please discuss these questions with your child, too.

Please send your completed questionnaire into school by Friday 17th July.
